Please include your name, age, and address, though we will gladly withhold that information upon request

We've really had a great time with the daring Darkwing Duck and all the funny folks featured in THE DISNEY AFTERNOON! The creative people behind the comics you read and enjoy each month deserve much praise. Their wonderful work brings THE DISNEY AFTERNOON characters to life every month! We also want to extend our appreciation to some very gifted people at Disney Studios, Burbank California, who help us bring you these terrific tales. Catherine McCafferty, David Pacheco, Scott Tilly, Michael Horowitz and the wonderful woman that we just couldn't do without, Lisa Ramee. And, most importantly, thanks to all of *you* — our loyal fans! We hope that you continue to read and enjoy THE DISNEY AFTERNOON, and that you keep writing to us here at Marvel!

Dear Ms. Mossoff,

Whoa! What can I say? THE DISNEY AFTERNOON #2 was excellent! Andres Klacik and John Blair Moore are great Darkwing Duck pencilers. Ms. Morronic is a good villain. Will you have her return soon?

I have a couple of questions for you: Will you be featuring any stories of the Gummi Bears? Why did you split the Darkwing Duck story with the Chip N' Dale story? Will you be featuring any of the Disney Adventures Magazine?

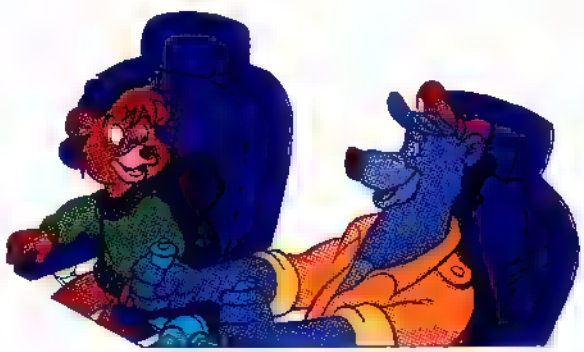
Jonathan Gray, age 15
Atlanta, GA

We couldn't agree more with you, Jonathan! John Blair Moore and Andre Klacik know how to *feather* Darkwing just right. And we have answers to your questions! "Sleep Ducking" was written by Brian Swenlin as a two-part Darkwing story. We liked it, because when the stories are divided into parts, it makes it easier to put the comic down for a break and come back to it later. While we won't be bringing over any of the stories from Disney Adventures, we *will* have all new adventures of your favorite characters in THE DISNEY AFTERNOON! As for those Gummi Bears, they're always bouncing around. So be alert — they may come bouncing onto the pages of TDA.

Dear DISNEY AFTERNOON,

I love reading the Disney comics. THE DISNEY AFTERNOON is my favorite! I try to get them every month but sometimes the comic book shop by my house doesn't have any left!

Tommy Kory, age 7
Sharon, MA



We're sorry to hear that Tommy! Be sure to tell the sales person at your local comic shop that you're looking for TDA when there aren't any left. Perhaps your store will start ordering more copies!

To be sure you don't miss any future issues, you may want to subscribe to THE DISNEY AFTERNOON. Then you'll get every issue, every month, mailed right to your home! You'll find a subscription form in this very issue! Be sure to check with a parent or adult first! And if it's the Marvel/Disney comics you like, be sure not to miss the romance and comedy of THE BEAUTY & THE BEAST, the zany adventures of THE LITTLE MERMAID and ALADDIN's mysterious journeys!

Dear DISNEY AFTERNOON,

I really like your comic book. Especially my favorite hero, Darkwing Duck. Do you know if there is a Darkwing Duck fan club? If there is, could you please tell me how to become a member? I love Darkwing's girlfriend, Morgana. Please have a story with her in it. Thank you!

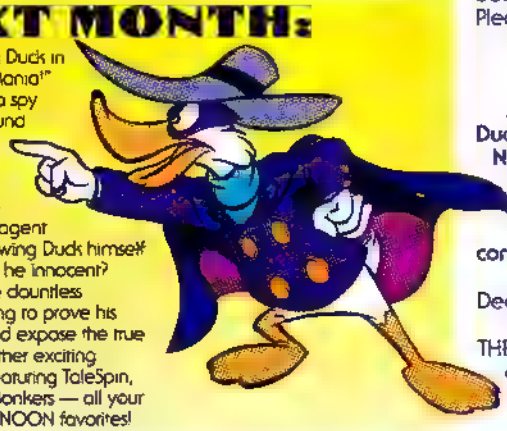
Samantha Eaves, Age 5
Minneapolis, MN

As far as we know, Samantha, there is no Darkwing Duck fan club. But, if there are any other DISNEY AFTERNOON fans out there who do know of such a fan club, please write in and tell us! We'll be happy to let all of Darkwing's fans know how to get even more of him. Keep your eyes peeled, Samantha, Morgana is sure to come flapping by!

Dear Ms. Mossoff,

Just a note to say how much I enjoyed the first issue of THE DISNEY AFTERNOON. The artwork is very true to the daily TV series and the characterization is so familiar that I swear I'm hearing the voices as I read! My favorite characters have always been Darkwing Duck and Tale-

NEXT MONTH:



Darkwing Duck in "Mole Mania!" There's a spy sneaking around SHUSH! The menacing mole could be *any* super-secret SHUSH agent — even Darkwing Duck himself! Is he a suspect! Is he innocent? Don't miss the dauntless Darkwing trying to prove his innocence and expose the true traitor! Plus, other exciting adventures featuring TaleSpin, Goof Troop, Bonkers — all your DISNEY AFTERNOON favorites!

Spin. I laughed at the secret way the "Fiendish Five" managed to invade Darkwing Duck's headquarters! I wish TaleSpin had its own comic book like the other titles in this new Marvel/Disney series. It's always nice to see Molly and especially amusing to see Rebecca's reactions to Baloo! It's a kind of a love-hate relationship between them. They remind me of Ralph and Alice Kramden of *The Honeymooners!*

Best of luck in this new comic. I am thrilled to see Disney characters done by Marvel. Keep up the great work and see you in thirty!

Michelle Beaubien
Burnaby, B.C., Canada

Thanks for the wonderful support, Michelle! We are very lucky to have such talented creative teams. They give our hilarious stories that refined touch needed to make the pages *fly* away!

Dear DISNEY AFTERNOON,

Friends tell me THE DISNEY AFTERNOON comic book and the TV series is for kids, but what do they know? So if you hear anyone saying that this comic book is just for kids, don't believe them! I just finished reading the first two issues of TDA and I liked them so much my check's in the mail for a subscription!

I have been a fan of Goof Troop and Bonkers for as long as they've been a part of The Disney Afternoon TV series! Keep up the great work. I'll see you in the mail!

Jenny Lowell, age 25
Syracuse, NY

It's always nice to know we have fans of all ages, Jenny! And don't worry, we don't believe everything we hear! Subscribing and getting THE DISNEY AFTERNOON in the mail is a great idea! (If any of our other readers are interested in receiving TDA or any of the Disney titles by mail, remember that there's a subscription form in this very issue!)

To the DISNEY AFTERNOON crew,

I have THE DISNEY AFTERNOON #1and #2. So far this comic book is great! I would like to give you a few suggestions. I think it would be a blast if you did a TaleSpin story with Kid Cloudkicker and his club, The Jungle Aces! Any chance of seeing all the characters of THE DISNEY AFTERNOON meeting in one feature? Keep up the good work!

Julie Esris, age 14
Warrington, PA

We appreciate all the suggestions, Emily! We'll keep them in mind!

ALSO THIS MONTH IN...

THE MARVELOUS WORLD OF DISNEY

Beauty and the Beast

"Dove Tales, Part 1" - It's snowing and Chip wants to go out to play! Who better than Belle to help him build a snowman? Back in the Village, Gaston studies up on his latest scheme to get Belle to walk down the aisle.

THE LITTLE MERMAID

"Gone With The Waves" - The Flogglefish are leaving Atlantica! After a petition is passed around forcing the Flogglefish to leave, Ariel and King Triton's advisor must convince the merpeople they're making a big mistake. Without the Flogglefish, who will eat the Floggleweed? Once the floggleweed starts to invade the homes of the Atlanteans, they must call for help amongst the sea world. Can they get the Flogglefish to return? Or are they *floggled* forever?!

Aladdin

"The Mysterious Amulet" - Aladdin travels back in time in search of the answer about an amulet he finds bearing his name! There he meets up with Zena, a former thief who saves his life, and they become friends.
